

Financial Report ISTE 2018-2019

The report is an account of the income and expenses of the book year May 1, 2018-April 30, 2019 of the International Society of Transdisciplinary Engineering (ISTE). In this report only one column is shown, since the ISTE has been registered officially on June 7, 2018. This report is the first report of the newly registered society.
